CIRCULAR 2025-2
OCTOBER 7, 2025

Brothers of the Department of Indiana,

It is my goal that each Camp in the Department of Indiana have an internet presence so that the general public knows about our Order and our mission. Preferably, each Camp would appoint a Camp Signals Officer who would maintain the website or social media presence, and partner with the Department Signals Officer, following the SUVCW National Technology Communication Policy.

The Camp Signals Officer can be a vital link in ensuring that communication exists amongst the Brothers as well as with the community at large regarding our activities. Ensuring this vital position is filled aligns with recent Special Message # 3 by CinC Kevin Tucker.

Yours In Fraternity, Charity & Loyalty,

Travis J. LeMaster
